## Employers

You can help HCT prepare students to develop the skills needed to be successful and be in the pipeline that will possibly meet your current and future workforce needs. The following is how you can get involved:

Opportunities	Descriptions
Company Tours	Create brand awareness by giving students the opportunity to learn about your company's products/services and culture (this can be in-person or virtual)
Job Shadows	Allow a student to get an up-close view of what it is like to work in their desired field by spending time (up to 3hours) with a professional
Tutoring	Volunteer to help students in Math, Science and English
Speakers	Provide training or participate on a group panel
Work-based learning	Support the high school's Youth Apprenticeship Program and Certificate CO-OP as well as Craftsman/Woman with Character
Part-time/ Summer jobs	Give students an opportunity to obtain work experience and begin building their resume
Full-time jobs	Provide opportunities to students who would like to seek employment and start a career - immediately upon graduation
Scholarships	Provide financial support to students who would like to continue their education
Internships	Provide opportunities for students to gain experience while attending college

**Thank you!**
